Tavoli, consolle, specchi ed altri complementi per l'arredamento sono progettati per valorizzare ogni tipo di ambiente e le sue valenze architettoniche. I pregiati materiali e lavorazioni sono scelti per esaltare armonicamente gli effetti, le funzioni dell'illuminazione e per creare oggetti che accendono e che modulano l'atmosfera caratterizzando ed evidenziando con eleganza gli spazi.

Tables, consoles, mirrors and other decorative furniture accessories are designed to enhance any kind of interior and its architectural qualities. The precious materials and careful handcraft have been chosen to emphasize the effects of the lighting and to create objects which ensure a bright and comfortable atmosphere, elegantly underlining the spaces.
